

PA TRIO 2016 Conference
"Journey Together: Our #TRIO Stories"
Community Service Project

CCWRC: Centre County Women's Resource Center
<http://ccwrc.org/>

At the 2016 PA TRIO conference, we will join together in service as a community. We will share stories about our service to our programs and students. We will be called to continue or begin service to our state association. We will be asked to help serve the community where we are coming together this week. Aligning with the vision of PA TRIO, the CCWRC supports and assists underserved families in crisis, including children who would otherwise not be able to focus on their education without such resources. They provide intervention, services, education and advocacy to empower women and their families.

During our opening session on the evening of Tuesday, October 11, we will kick-off this community service project. You will have the opportunity to write notes of empowerment for delivery. Also, I have a listed below items in great need for the shelter. We will be collecting these things throughout the week. An announcement will be made on the last day of the conference, Friday morning, about the totals received. Then, a donation will be made that afternoon.

Thank you for your support of this worthwhile project.

April

Collection Items:

- Cash donations
- Gift cards (McDonald's, Rita's Italian Ice, Penn State Creamery, grocery stores, office supply stores, etc.)
- Gas cards
- Journals
- School supplies
